

"All In"
ANNUAL APPEAL
Marquette Catholic High School

www.marquettecatholic.org/annualappeal

As you may know, the "gap" between the actual cost to educate our students and the amount received through tuition and fees is more than \$600,000 annually, or \$1500 per student. Your support of the "All In" Annual Appeal helps us bridge this gap and continue to provide a high quality, college prep education in the "Serviam" tradition. There are several available areas of need to choose from when you give. These areas include:

Fine Arts & Performing Arts -- The Arts are alive and well at MCHS. Marquette seeks support for student performances as well as our excellent fine arts programs.

The Francis Fund -- Provides the resources and hope to those students who choose to experience the excellent academic, extracurricular and spiritual environment of MCHS by providing grants of \$500 to \$2500 to qualifying students.

Athletics -- Whether it is upgrading facilities or providing the best coaching and equipment available your support will allow us to continue our winning tradition and entitle you to membership in the *On Explorers Athletic Society*.

Areas of Greatest Need -- Contributions are the most generous of gifts, providing Marquette the flexibility to consistently improve our educational experience.

Young Alumni Society -- Contributions of any amount from Alumni under the age of 35 entitles membership in the *Young Alumni Society*.

Merit Scholarships -- Marquette offers merit scholarships for a variety of talents from academics and art to music and drama. Your contributions allow Marquette to attract the best and brightest. Marquette does not provide athletic scholarships.
